FINAL RESULT

Selected Design: Layout 3 (Green UI)

Reason:

- Best visual balance
- Easy to use
- Modern and clean design
- Highest user satisfaction

FINAL IMPROVEMENTS

- Add dark mode
- Add animations (button press, transitions)
- Improve accessibility (contrast C font size)

CONCLUSION:

The **green-themed login UI (Layout 3)** is the most effective design due to its **clarity, usability, and professional appearance**, making it the best choice for real- world applications.
